INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of November 2, 2021.

This Information Circular is in respect of the annual general meeting (the “**Meeting**”) of the shareholders of **Gatling Exploration Inc.** (the “**Company**”) to be held on December 9, 2021, at the time and place set out in the accompanying Notice of Meeting. **This Information Circular is furnished in connection with the solicitation of proxies by management of the Company for use at the Meeting and any adjournment of the Meeting.** The Board of Directors of the Company (the “**Board**”) has fixed the close of business on November 1, 2021, as the record date (the “**Record Date**”), being the date for the determination of the registered holders of common shares entitled to receive notice of, and to vote at, the Meeting and any adjournment thereof.

PART 1 – PROXY INSTRUCTIONS

MANAGEMENT SOLICITATION AND APPOINTMENT OF PROXIES

The persons named in the form of proxy are nominees of the Company’s management. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for and on the shareholder’s behalf at the Meeting other than the persons designated as proxyholders in the form of proxy.** To exercise this right, the shareholder must either:

- (a) on the form of proxy, strike out the printed names of the individuals specified as proxyholders and insert the name of the shareholder’s nominee in the blank space provided; or
- (b) complete another proper form of proxy.

To be valid, a proxy must be dated and signed by the shareholder or by the shareholder’s attorney authorized in writing. In the case of a corporation, the proxy must be signed by a duly authorized officer or attorney for the corporation.

The completed proxy, together with the power of attorney or other authority, if any, under which the proxy was signed or a notarially certified copy of the power of attorney or other authority, must be delivered to Computershare Trust Company of Canada (“**Computershare**”), Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1; fax within North America: 1-866-249-7775; fax outside North America: 416-263-9524, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or any adjournment thereof. Computershare also offers voting via the internet. Instructions for internet voting can be found on the enclosed form of proxy or voting instruction form.

REVOCABILITY OF PROXIES

A shareholder who has given a proxy may revoke it at any time before the proxy is exercised:

- (a) by an instrument in writing that is:
 - (i) signed by the shareholder, the shareholder’s attorney authorized in writing or, where the shareholder is a corporation, a duly authorized officer or attorney of the corporation; and
 - (ii) delivered to Computershare at any time up to and including the last business day preceding the day of the Meeting or any adjournment of the Meeting, or delivered to the Chairman of the Meeting on the day of the Meeting or any adjournment of the Meeting before any vote on a matter in respect of which the proxy is to be used has been taken; or
- (b) in any other manner provided by law.

EXERCISE OF DISCRETION BY PROXYHOLDERS

A shareholder may indicate the manner in which the persons named in the form of proxy are to vote with respect to a matter to be acted upon at the Meeting by marking the appropriate space. **If the instructions as to voting indicated in the proxy are certain, the shares represented by the proxy will be voted or withheld from voting on any ballot that may be called for in accordance with the instructions given in the proxy.**

If the shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the shares represented will be voted or withheld from the vote on that matter accordingly. If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the proxyholder named in the form of proxy. It is intended that the proxyholder named by management in the form of proxy will vote the shares represented by the proxy in favour of each matter identified in the proxy and for the nominees of the Company for directors and auditor.

The form of proxy also confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to any other matters which may properly come before the Meeting. As of the date of this Information Circular, management of the Company is not aware of any such amendments or variations, or any other matters that will be presented for action at the Meeting other than those set out herein and referred to in the Notice of Meeting. If, however, other matters that are not now known to management properly come before the Meeting, then the persons named in the form of proxy intend to vote on them in accordance with their best judgment.

SOLICITATION OF PROXIES

It is expected that solicitations of proxies will be made primarily by mail and possibly supplemented by telephone or other personal contact by directors, officers, employees and consultants of the Company without special compensation. The Company will not reimburse shareholders' nominees or agents (including brokers holding shares on behalf of clients) for the costs incurred in obtaining authorization to execute forms of proxy from their principals. The cost of solicitation will be borne by the Company.

ADVICE TO BENEFICIAL SHAREHOLDERS

ONLY REGISTERED SHAREHOLDERS OR DULY APPOINTED PROXYHOLDERS ARE PERMITTED TO VOTE AT THE MEETING. SHAREHOLDERS WHO DO NOT HOLD THEIR SHARES IN THEIR OWN NAME (REFERRED TO AS "NON-REGISTERED SHAREHOLDERS") ARE ADVISED THAT ONLY PROXIES FROM SHAREHOLDERS OF RECORD CAN BE RECOGNIZED AND VOTED AT THE MEETING. Non-Registered Shareholders who complete and return an instrument of proxy or voting instruction form must indicate thereon the person (usually a brokerage house) who holds their shares as a registered shareholder.

If securities are listed in an account statement provided to a shareholder by a broker, then in almost all cases those securities will not be registered in such shareholder's name on the records of the Company and will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such securities are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Securities held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the beneficial shareholder. Without specific instructions, brokers/nominees are prohibited from voting securities for their clients.

If you are a Non-Registered Shareholder and Computershare has sent Meeting materials directly to you, your name and address and information about your shareholdings have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. Such shareholders can expect to receive a scannable voting instruction form ("**VIF**") with this Meeting material. The VIF is to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described in the VIF. Computershare will tabulate the results of the VIFs received from beneficial shareholders and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. **A NON-REGISTERED SHAREHOLDER RECEIVING A VIF CANNOT USE THAT VIF TO VOTE SECURITIES DIRECTLY AT THE MEETING. THE VIF MUST BE RETURNED TO COMPUTERSHARE WELL IN ADVANCE OF THE MEETING IN ORDER TO HAVE THE SHARES VOTED.**

Non-Registered Shareholders who have objected to their broker/nominee disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners (“OBOs”). In accordance with securities regulatory policy, we will have distributed copies of the required Meeting materials to the brokers/nominees for onward distribution to OBOs. THE COMPANY DOES NOT INTEND TO PAY FOR A BROKER/NOMINEE TO DELIVER MEETING MATERIALS TO OBOs. THEREFORE, AN OBO WILL NOT RECEIVE THE MATERIALS UNLESS THE OBO’S BROKER/NOMINEE ASSUMES THE COSTS OF DELIVERY. Brokers/nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Every broker/nominee has its own mailing procedures and provides its own return instructions, which should be carefully followed by OBOs in order to ensure that their securities are voted at the Meeting. Often the form of proxy supplied to a beneficial shareholder by its broker is identical to the form of proxy provided by the Company to the registered shareholders; however, its purpose is limited to instructing the registered shareholder how to vote on behalf of the beneficial shareholder.

Should a Non-Registered Shareholder receiving a form of proxy or VIF wish to vote at the Meeting, the Non-Registered Shareholder should strike out the names of the management proxyholders named in the form and insert the Non-Registered Shareholder’s name in the blank provided and return the materials to the broker or Computershare as directed and well before the Meeting date.

UNITED STATES SHAREHOLDERS

This solicitation of proxies involves securities of a corporation incorporated in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation. Shareholders should be aware that disclosure and proxy solicitation requirements under the securities laws of the provinces of Canada differ from the disclosure and proxy solicitation requirements under United States securities laws. The enforcement by shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), some of its directors and its executive officers are residents of Canada and a significant portion of its assets and the assets of such persons are located outside the United States. Shareholders may not have standing to bring a claim against a foreign corporation or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign corporation and its officers and directors to subject themselves to a judgment by a United States court.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company has only one class of shares entitled to be voted at the Meeting, namely, common shares without par value (each a “Share”). All issued Shares are entitled to be voted at the Meeting and each has one vote. As of November 1, 2021, there were 45,399,816 Shares issued and outstanding.

Only shareholders of record on November 1, 2021, will be entitled to vote at the Meeting or any adjournment thereof.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, or exercises control or direction, directly or indirectly, over Shares carrying 10% or more of the voting rights attached to all outstanding Shares of the Company which have the right to vote in all circumstances, except as follows:

Name of Shareholder	Number of Shares ⁽¹⁾	Percentage of Shares ⁽¹⁾

Corporate Cease Trade Orders or Bankruptcy

Except as disclosed below, as at the date of this Information Circular, and within the last 10 years before the date of this Information Circular, no proposed director (or any of their personal holding companies) of the Company was a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade or similar order or an order denying the relevant company access to any exemptions under securities legislation, for more than 30 consecutive days while that person was acting in the capacity as director, executive officer or chief financial officer; or
- (b) was the subject of a cease trade or similar order or an order that denied the issuer access to any exemption under securities legislation in each case for a period of 30 consecutive days, that was issued after the person ceased to be a director, chief executive officer or chief financial officer in the company and which resulted from an event that occurred while that person was acting in the capacity as director, executive officer or chief financial officer; or

On November 2, 2015, the British Columbia Securities Commission issued an order ceasing all trading by Ms. Cesarone of the securities of Argentum Silver Corp. The order was revoked on December 16, 2015.

Conflicts of Interest

The directors of the Company are required by law to act honestly and in good faith with a view to the best interest of the Company and to disclose any interests which they may have in any project or opportunity of the Company. If a conflict of interest arises at a meeting of the Board, any director in a conflict will disclose his interest and abstain from voting on such matter. In determining whether or not the Company will participate in any project or opportunity, the directors will primarily consider the degree of risk to which the Company may be exposed and its financial position at that time.

Except as disclosed in this Information Circular, to the Company’s knowledge, there are no known existing or potential conflicts of interest among the Company and its promoters, directors, officers or other members of management as a result of their outside business interests except that certain of the directors, officers, promoters and other members of management now or may in the future serve as directors, officers, promoters and members of management of other public companies, some of which are or may be involved in the exploration and development of natural resources, and therefore it is possible that a conflict may arise between their duties as a director, officer, promoter or member of

management of the Company and their duties as a director, officer, promoter or member of management of such other companies.

APPOINTMENT OF THE AUDITOR

At the Meeting, shareholders will be asked to consider, and if deemed advisable, to pass the following resolution with respect to the appointment of auditors for the Company:

Unless such authority is withheld, the persons named in the enclosed form of proxy intend to vote FOR the appointment of Crowe MacKay LLP, Chartered Professional Accountants, to serve as auditor of the Company until the next annual general meeting of the Company’s shareholders and to authorize the Board to fix the remuneration to be paid to the auditor.

ANNUAL RATIFICATION OF STOCK OPTION PLAN

TSX Venture Exchange (“TSXV”) Policy 4.4 (“**Policy 4.4**”) specifies that all listed issuers must implement a stock option plan. The Company’s current stock option plan, which was adopted by shareholders on December 15, 2020 (the “**Option Plan**”), is a “rolling” plan as characterized by TSXV policy, pursuant to which the aggregate number of Shares reserved for issuance thereunder may not exceed, at the time of grant, in aggregate 10% of the Company’s issued and outstanding Shares. TSXV policy requires that shareholder approval for “rolling” stock option plans must be obtained annually. Accordingly, at the Meeting, shareholders will be asked to ratify and approve the Option Plan.

The following is a summary of the principal terms of the Option Plan.

The Option Plan provides that stock options may be granted to directors, officers, employees and consultants of the Company (and any subsidiary of the Company) and management company employees. For the purposes of the Option Plan, the terms “employees”, “consultants” and “management company employees” have the meanings set out in Policy 4.4. In addition, the term “director” is defined in Policy 4.4 to include directors, senior officers and management company employees.

Under the Option Plan, the Board may from time to time designate a director or other senior officer or employee of the Company as administrator (the “**Administrator**”) for the purposes of administering the Option Plan. The Administrator is Jason Billan.

The Option Plan provides for the issuance of stock options to acquire at any time up to a maximum of 10% of the issued and outstanding Shares (subject to standard anti-dilution adjustments). If a stock option expires or otherwise terminates for any reason without having been exercised in full, the number of Shares reserved for issuance under that expired or terminated stock option will again be available for the purposes of the Option Plan. Any stock option outstanding when the Option Plan is terminated will remain in effect until it is exercised or it expires.

The Option Plan provides that it is solely within the discretion of the Board to determine who should receive stock options and in what amounts, subject to the following conditions:

- (a) options will be non-assignable and non-transferable except that they will be exercisable by the personal representative of the option holder in the event of the option holder’s death;
- (b) options may be exercisable for a maximum of ten years from the date of grant;
- (c) options to acquire no more than 5% of the issued Shares may be granted to any one person (including companies wholly-owned by such person) in any 12 month period;
- (d) options to acquire no more than 2% of the issued Shares may be granted to any one consultant in any 12 month period;

- (e) options to acquire no more than an aggregate of 2% of the issued Shares may be granted to an employee conducting “**Investor Relations Activities**” (as defined in TSXV Policy 1.1), in any 12 month period;
- (f) at no time will options be issued which could permit at any time the aggregate number of Shares reserved for issuance under stock options granted to insiders (as a group) at any point in time exceeding 10% of the issued Shares;
- (g) at no time will options be issued which could permit at any time the grant to insiders (as a group), within a 12 month period, of an aggregate number of options exceeding 10% of the issued Shares calculated at the date an option is granted to any insider;
- (h) options held by an option holder who is a director, employee, consultant or management company employee must expire within one year after the option holder ceases to be a director, employee, consultant or management company employee, which time period the Company determines is reasonable;
- (i) options held by an option holder who is engaged in Investor Relations Activities must expire within 30 days after the option holder ceases to be employed by the Company to provide Investor Relations Activities; and
- (j) in the event of an option holder’s death, the option holder’s personal representative may exercise any portion of the option holder’s vested outstanding options for a period of one year following the option holder’s death.

The Option Plan provides that other terms and conditions may be attached to a particular stock option, such terms and conditions to be referred to in a schedule attached to the option certificate. Stock options granted to directors, senior officers, employees or consultants vest when granted unless otherwise determined by the Board on a case by case basis. Stock options granted to consultants performing Investor Relations Activities, will vest in stages over 12 months with no more than ¼ of the options vesting in any three month period.

In addition, under the Option Plan a stock option will expire immediately in the event a director or senior officer ceases to be a director or senior officer of the Company as a result of:

- (a) ceasing to meet the qualifications under the *Business Corporations Act* (British Columbia);
- (b) the passing of a special resolution by the shareholders; or
- (c) an order made by a regulatory authority.

A stock option will also expire immediately in the event an employee ceases to be an employee as a result of termination for cause or an employee or consultant ceases to be an employee or consultant as a result of an order made by a regulatory authority.

The price at which an option holder may purchase a Share upon the exercise of a stock option will be as set forth in the option certificate issued in respect of such option and in any event will not be less than the “**Discounted Market Price**” (as defined in TSXV Policy 1.1) of the Shares as of the date of the grant of the stock option (the “**Award Date**”). The exercise price of stock options granted by the Company will typically be the closing price of the Shares on the TSXV on the day immediately preceding the relevant Award Date, or otherwise in accordance with the terms of the Option Plan.

In no case will a stock option be exercisable at a price less than the minimum prescribed by the organized trading facility or the applicable regulatory authorities that would apply to the award of the stock option in question.

The Option Plan also provides that: (a) disinterested shareholder approval will be obtained for any reduction in the exercise price of an option held by an insider of the Company; and (b) options cannot be granted to employees, consultants or management company employees who are not bona fide employees, consultants or management company employees, as the case may be.

Shares will not be issued pursuant to stock options granted under the Option Plan until they have been fully paid for by the option holder. The Company will not provide financial assistance to option holders to assist them in exercising their stock options.

Shareholders may request a copy of the Option Plan by contacting the Company at the address or telephone number listed on the Notice of Meeting until the date of the Meeting and at the Meeting itself.

At the Meeting, the shareholders will be asked to consider, and if deemed advisable, to pass the following resolutions:

“RESOLVED as an ordinary resolution THAT:

1. the Company’s stock option plan adopted by shareholders on December 15, 2020 (the “**Option Plan**”) is hereby ratified, confirmed, authorized and approved;
2. the reservation under the Option Plan of up to a maximum of 10% of the issued shares of the Company, on a rolling basis, as at the time of granting of the stock option pursuant to the Option Plan is hereby authorized and approved;
3. such amendments to the Option Plan are authorized to be made from time to time as the Board may, in its discretion, consider to be appropriate, provided that such amendments will be subject to the approval of all applicable regulatory authorities and in certain cases, in accordance with the terms of the Option Plan, the shareholders; and
4. any one director or officer of the Company is hereby authorized and directed, for and on behalf of the Company, to execute and deliver all such documents, agreements and instruments, and to do all such other acts and things as such director or officer may determine to be necessary or advisable to give effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such documents, agreements or instruments or the doing of any such act or thing.”

The Board unanimously recommends that the shareholders vote in favour of ratifying and approving the Option Plan.

Unless the shareholder directs that his or her Shares be otherwise voted or withheld from voting in connection with the approval of the Option Plan, the persons named in the enclosed Proxy will vote FOR the approval of the above resolutions.

AUDIT COMMITTEE OVERSIGHT

At no time since the beginning of the recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board.

RELIANCE ON CERTAIN EXEMPTIONS

Since the commencement of the Company’s financial year ended March 31, 2021, the Company has not relied on the exemptions contained in sections 2.4 or 8 of NI 52-110. Section 2.4 provides an exemption from the requirement that the audit committee must pre-approve all non-audit services to be provided by the auditor, where the total amount of fees related to the non-audit services are not expected to exceed 5% of the total fees payable to the auditor in the financial year in which the non-audit services were provided. Section 8 permits a company to apply to a securities regulatory authority for an exemption from the requirements of NI 52-110, in whole or in part.

PRE-APPROVAL POLICIES AND PROCEDURES

The audit committee is authorized by the Board to review the performance of the Company’s external auditors and approve in advance provision of services other than auditing and to consider the independence of the external auditors, including reviewing the range of services provided in the context of all consulting services bought by the Company.

EXTERNAL AUDIT SERVICE FEES (BY CATEGORY)

In the following table, “audit fees” are fees billed by the Company’s external auditor for services provided in auditing the Company’s annual financial statements for the subject year. “Audit-related fees” are fees not included in audit fees that are billed by the auditor for assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements. “Tax fees” are fees billed by the auditor for professional services rendered for tax compliance, tax advice and tax planning. “All other fees” are fees billed by the auditor for products and services not included in the foregoing categories.

The fees paid by the Company to its external auditors, Crowe MacKay LLP, for services rendered to the Company in each of the last two financial years, by category, are as follows:

Financial Year Ending	Audit Fees	Audit-Related Fees	Tax Fees	All Other Fees
March 31, 2021	\$25,800	N/A	\$2,000	N/A
March 31, 2020	\$22,000	N/A	\$2,000	N/A

EXEMPTION

The Company is relying on the exemption provided by section 6.1 of NI 52-110, which provides that the Company, as a venture issuer, is not required to comply with Part 5 (Reporting Obligations) of NI 52-110.

PART 7 – CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. The disclosure required by NI 58-101 is presented below.

BOARD OF DIRECTORS

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship that could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Jason Billan and Nav Dhaliwal are executive officers of the Company and are therefore not considered to be independent directors pursuant to NI 58-101. Richard Boulay and Peter Damouni are independent directors pursuant to NI 58-101.

The Board facilitates its exercise of independent supervision over management by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Board believes that fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director’s participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that each director exercises independent judgment in carrying out his responsibilities and acting in the best interests of the Company.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia) is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly.

DIRECTORSHIP

The directors of the Company are currently directors of the following other reporting issuers:

Nav Dhaliwal	Pacton Gold Inc. Mason Graphite Inc.
Jason Billan	None
Richard Boulay	Pacton Gold Inc.
Carrie Cesarone	None
Peter Damouni	Arena Minerals Inc. Mason Graphite Inc. Empire Metals Limited XPhyto Therapeutics Corp. Chesterfield Resources Plc

ORIENTATION AND CONTINUING EDUCATION

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company’s properties, business, technology and industry and on the responsibilities of directors. Board meetings may also include presentations by the Company’s management and consultants to give the directors additional insight into the Company’s business. Individual directors are responsible for maintaining their own education, skills and knowledge at an appropriate level. Board members are encouraged to attend educational courses or presentations in relation to the Company’s projects or the industry within which the Company operates.

ETHICAL BUSINESS CONDUCT

The Board has not, to date, adopted a formal written code of ethical business conduct. The current limited size of the Company’s operations, and the small number of officers and consultants allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. The Board is aware of the recommendation in National Policy 58-201 *Corporate Governance Guidelines* to adopt a written code of business conduct and ethics and will review different standards that may be appropriate for the Company to adopt if warranted.

To date, the Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Under

corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances. A director must disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The disclosure must be evidenced in writing by being included in the consent resolutions or minutes of the meeting that approve the transaction or in a written disclosure delivered to the Company's records office. Unless the director properly discloses his interest and has the transaction properly approved, he may be liable to account to the Company for any profit he makes as a result of the transaction, unless the court finds that the transaction was fair and reasonable to the Company. Once the appropriate disclosure has been made by the interested director, the transaction must be approved by the directors or by the shareholders by special resolution. An interested director would not be entitled to vote at meetings of directors which evoke any such conflict.

NOMINATION OF DIRECTORS

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees to fill vacancies and for the next annual meeting of the shareholders. The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience. New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, show support for the Company's mission and strategic objectives and a willingness to serve.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

COMPENSATION

The Board periodically reviews the compensation paid to directors, management and other employees based on such factors as time commitment and level of responsibility and the Company's current position as an exploration company with limited operating revenue.

The Board does not have a compensation committee, and these functions are currently performed by the Board as a whole; however, this policy may be reviewed in the future depending on the circumstances of the Company.

OTHER BOARD COMMITTEES

The Board has no other committees other than the Audit Committee.

ASSESSMENTS

The Board conducts periodic assessments of its members including individual assessments to determine if the Board and the individual directors are performing efficiently. Based on the Company's size, stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be unnecessary at this time. As the activities of the Company develop, it will consider the establishment of more formal evaluation procedures, including more quantitative measures of performance.
